Year 1Y have been learning about the heart and how exercise affects their bodies. They investigated the effect of exercise on the body by running round the track - they found their heart rate increased, they were breathing quicker and got very hot! Then, to calm their heart back down, they did some meditating and found their heart was beating much slower.

## FREE FUNDRAISING FOR SCHOOLS

In partnership with your school or organisation

### Beaudesert Lower School

Bag 2 School is a company that specialises in the reuse and recycling of good quality second-hand clothing and we have arranged to make a collection from your school. All the bags will be weighed and you will be paid for the total weight collected. Remember, the more you collect the greater the benefit to your school.

By using this paper leaflet we are helping to reduce unnecessary extra plastic. Please use your own bag or bags (there is no limit). The leaflet is FSC accredited, please recycle it.

When the clothes have been removed from the bag the plastic will be packed and sent for recycling.

### *We are collecting good quality items for RE-USE:*

Clothes, paired shoes (tied together or elastic band around), bags, accessories, jewellery, lingerie, socks, belts, soft toys, household linen, bedding and towels.

(No uniforms, workwear, pillows, duvets or pieces of fabric please)

***The more we weigh the more we pay!***

### **Bikes and Scooters**

**Please can everyone remember to dismount bikes and scooters whilst on the school grounds, as accidents can occur on pathways at busy times.**

### **Car Parking**

Just a reminder for some parents when parking outside of the School that it is very important to park as considerately as possible. Parents and carers dropping their children off at school should not be parking on pavements. Car number plates may be reported to the Police if this continues to happen. Can parents also remember that parking in the Staff car park or the Kitchen car park is also not permitted. Thank you.
