Into the Forest

AUTUMN A

2026

English

The Owl Who was Afraid of the Dark
Little Red Reading Hood
These two books will take us through our learning journey this term alongside whilst thinking about securing full stops and capital letters and beginning to use additional punctuation and conjunctions to enhance our sentence writing.

Maths

This term we will be concentrating on securing our knowledge with number.
We will focus on numbers to 100, place value, regrouping, counting on and back, representing ordering and comparing numbers and estimation.
To finish this term, we will be using this knowledge to add and subtract numbers.

Geography

We will be identifying different natural features of a forest and using fieldwork and observational skills to develop our knowledge.

TRIP:

We will be taking a visit to our local forest area - Rushmere Country Park where we will be experiencing the woodland through a series of exciting activities.

Art:

Through the work of Henri Rousseau we will be understanding the techniques he used, the difference between portrait and landscape and develop skills using colour.

Science:

We will be understanding living things by looking at our local habitats and microhabitats.

R.E.

We will be developing our understanding of the Muslim religion by looking at their place of worship and what they believe.

P.E

We are developing our own sense of awareness and control of our body within our Yoga sessions.
In our ball skills sessions we will be improving our physical skills of throwing and catching and movement using our feet.

Computing:

We will be asking the question what is IT and how do we use it safely..
We will also be developing our typing skills.
