

Beaudesert Lower School Pupil Premium strategy statement 2023-24

1. Summary information					
Academic Year	2023/24	Total PP budget	£47760	Date of most recent PP Review	September 2023
Total number of pupils	286	Number of pupils eligible for PP	33	Date for next internal review of this strategy	Autumn 2024

2. Barriers to future attainment		
A.	Attendance	
B.	Wellbeing, confidence and engagement	
C.	Vocabulary Development and attainment of learning	
D.	Addressing extended learning challenges/ application of key learning skills	
3. Desired outcomes		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	Children eligible for PP's learning will not be affected by low attendance and families will be offered Early Help.	Children eligible for PP's attendance to be 97% or above. Family needs identified and supported in school or externally to ensure children are given full access to learning.
B.	All children eligible for PP's will have confidence in their abilities and be provided with a variety of opportunities and are actively involved in whole school activities to enrich their learning experience.	Social and emotional needs will be identified early and appropriate support sought and actioned. Children eligible for PP are targeted for enrichment activities e.g. clubs.
C.	Children eligible for PP use a rich vocabulary, can articulate their emotions well and they develop technical vocabulary to increase their attainment of working at age expected in reading and writing	Outcomes in teacher assessment for children eligible in PP is in line with the whole year group.
D.	Children eligible for PP's with specific learning challenges are identified early and supported effectively to remove barriers to learning.	SEND needs are identified as early as possible with structured provision in place. Children eligible for PP's make rapid progress in EYFS and meet GLD standards.

Chosen action / approach	Rationale	Expenditure
<p>Targeted 1:1 or small group interventions.</p> <p>Deputy Head Teacher/ Support Staff</p>	<p>Evidence indicates that with qualified staff, small group and 1:1 support is effective. Short and regular sessions, including pre-teaching key vocabulary, over a period of time have been shown to have optimum impact.</p>	<p>£ 11,069</p>
<p>Whole class teaching incorporates strong modelling of rich vocabulary.</p>	<p>Modelling varied and rich vocabulary provides broad access to a wider range of usable vocabulary in context with the opportunities for application. Introduction of Jane Considine (The Write stuff) is to develop children's language and sentence structure. Language to be supported with widget resources to make language more accessible with visual aids.</p>	
<p>Contributions to enrichment activities such as theatre trips, residential trips, extra-curricular clubs and music lessons.</p>	<p>All children have equal access to all areas of school life and there is increased involvement in extra curricular school opportunities for those eligible for PP. Children are not missing out on potential curriculum links that, for example, can inform their writing and improve their levels of engagement and enjoyment.</p>	<p>£2,619.39</p>
<p>Engagement of parents</p>	<p>All parents have access to the Marvellous Me app to engage with their children's learning. Parents able to see the positive praise their children have received at school and teacher can communicate to parents about their children's learning and next steps</p>	<p>£ 800</p>
<p>Contribution towards school uniform and resources.</p>	<p>Uniforms are provided to support parents financially. We want to ensure that all children feel equal and have the same opportunities provided to them. This may involve helping parents to provide a PE kit or shoes for their child so that they are able to participate in lessons or clubs.</p>	<p>£347.50</p>
<p>Breakfast and After School Clubs</p>	<p>Eating a healthy breakfast before starting the school day is linked to improved concentration, better attainment, increased energy, a higher intake of vitamins and minerals, and even a healthier body weight. Breakfast is especially important for young students whose brains use up about half of the body's energy.</p> <p>We offer breakfast clubs to families who struggle to provide a wholesome breakfast. We also purchase cereals and bread for toast that many of our PP children benefit from</p>	<p>£1,709.11</p>

	Our After Schools Club provides well structured tailored sessions and can also give parents some leeway at pick-up times to avoid lateness for example.	
Transport to and from school	Families will occasionally require support to transport their children to and from school (temporary rehousing, illness for example). Enabling the children to arrive at school on time and maintain high attendance is critical for high achievement.	£120.00
Teachers to identify those children that need social and/or emotional support. To use nurture approaches to focus on positive behaviours and provide time to talk. Children eligible for PP are provided opportunities for whole school performance, speaking – given specific guidance and support Deputy Head Teacher / Support Staff	Nurture groups provide an opportunity to focus on the emotional growth of children eligible for PP. When children are supported well emotionally and socially they have an increased ability to learn. Resources to be placed in all year groups to offer brain breaks times, so children are able to self regulate their feelings. Also provide opportunities to develop their communication skills of working with others and expressing how they are feeling during nurture and small group sessions.	Staff: 17,580 Resources: £500.00
Payment for Free School Meals	Children who are eligible for PP are receiving a healthy and balanced diet. Although on its own meals will not improve children's attainment it can be seen to impact on children's behaviour and concentration within a classroom environment.	£11,815.00
Resources	Resources allow interventions to run smoothly and provide a range of interesting ways for children eligible for PP to access their learning. Books to ensure children are exposed to a diversity of stories during deal sessions Resources to develop language and understand structure of language e.g. every child receives an atlas, use of widget to individualise learning to children needs and explore key vocabulary.	£1,200
Total Expenditure: £47760		

	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>	<i>Impact</i>
A.	Children eligible for PP's learning will not be affected by low attendance and families will be offered Early Help.	Children eligible for PP's attendance to be 97% or above. Family needs identified and supported in school or externally to ensure children are given full access to learning.	
B.	All children eligible for PP's will have confidence in their abilities and be provided with a variety of opportunities and are actively involved in whole school activities to enrich their learning experience.	Social and emotional needs will be identified early and appropriate support sought and actioned. Children eligible for PP are targeted for enrichment activities e.g. clubs.	
C.	Children eligible for PP use a rich vocabulary, can articulate their emotions well and they develop technical vocabulary or increase their attainment of working at age expected in reading and writing	Outcomes in teacher assessment for children eligible in PP is in line with the whole year group.	
D.	Children eligible for PP's with specific learning challenges are identified early and supported effectively to remove barriers to learning.	SEND needs are identified as early as possible with structured provision in place. Children eligible for PP's make rapid progress in EYFS and meet GLD standards.	

Factors to be included in measurement of Impact of PP Strategy for this academic year:

- Points of Progress in Reading, Writing and Maths
- % of attendance
- Levels of engagement in whole school activities
- We will also measure children's success in line with the top three key objectives in our School Development Plan
- Next steps and next levels for children's overall academic and social development

Next Impact Review: September 2024
