

Beaudesert School Prayer

Dear Lord,

Bless our school,

Let trust, respect and love live here.

Let us trust in one another, show respect for one another,

Believe in ourselves, love to *learn* And Wish to learn for life.

Let us remember that it takes many hands to build a school,

But it takes many hearts and minds to make a happy place in which to learn and to *succeed*.

Let us work together to make Beaudesert that place.

Amen

Lockdown Home Prayer

Dear Lord,

Bless our homes,

Let trust, respect and love live here.

Let us love and trust in our parents, show love and respect for our pets, brothers and sisters,

Believe in ourselves, love to *learn* and wish to learn for life.

Let us remember that it takes many hands to build a home,

But it takes positive hearts and minds to make a happy place in which to learn and to *succeed while days are challenging*.

Let us and all our families work together to make our homes that place.

Amen
