

Intent: Beaudesert Lower School's aim is that all pupils will be immersed in high quality language lessons that foster pupil's curiosity and deepen their understanding of the world. Learning a second language will offer pupils the opportunity to explore relationships between language and identity, develop a deeper understanding of other cultures and the world around them with a better awareness of self, and cultural differences. The intention is that pupils will have the opportunity to communicate for practical purposes, through song, rhyme or poem and learn new ways of thinking, whilst beginning to apply this in the wider world.
